Advanced analytics for confident decisions

Seamlessly manage financial risk and drive bottom-line success with **ChathamDirect**

What other strategic initiatives could you advance if managing financial risk were more seamless and automated? Freed from repetitive tasks and armed with analytics, imagine serving as a better partner to your leadership team and business units.

Visit chathamfinancial.com/chathamdirect to learn why Fortune 500 companies and beyond are choosing **ChathamDirect**.

Transactions in over-the-counter derivatives (or "swaps") have significant risks, including, but not limited to, substantial risk of loss. You should refrain from entering into any swap transaction unless you have fully understood the terms and risks of the transaction, including the extent of your potential risk of loss. For further information about Chatham Hedging Advisors, LLC, and to view its disclosure document, please visit chathamfinancial.com/legal/notices/ 24-0047

Citi Commercial Bank can help you accelerate your growth

- Global Network**
With Citi, you get genuine local support from teams on-the-ground and a single bank you can grow with as you enter new markets.
- Industry Expertise**
We've organized our bankers into teams specializing in core global industries, so they can deliver sector-specific insights & solutions.
- Comprehensive Products**
Our clients get access to the full suite of Citi Solutions—the same products used by some of the world's largest firms.

200 Years of Experience

Citi has been helping companies scale for 200 years, so we know the common objectives of a growing successful business and can help you achieve them.

- Simplify or consolidate your global operations
- Enter new markets / do business abroad more easily
- Improve your working capital
- Raise external funds / grow your business
- Optimize your trade flows
- Maximize returns to manage cash efficiently
- Digitize & simplify your banking experience
- Grow sustainably and transition to net zero

Goldman Sachs
Asset Management

gsam.com

Bringing together traditional and alternative investments, Goldman Sachs Asset Management provides clients around the world with a dedicated partnership and focus on long-term performance.

Your Performance, Our Priority.

As the primary investing area within Goldman Sachs, we deliver investment and advisory services for some of the world's leading institutions, financial advisors and individuals, drawing from our deeply connected global network and tailored expert insights, across every region and market—overseeing almost \$2.8 trillion in assets under supervision worldwide as of December 31, 2023.

As of 2024, References to the term "partnership" are not intended to connote a type of legal organizational structure between Goldman Sachs Asset Management and a firm. Assets Under Supervision (AUS) includes assets under management and other client assets for which Goldman Sachs does not have full discretion. This material is provided for informational purposes only and should not be construed as investment advice or an offer or solicitation to buy or sell securities. Date of First Use: March 22, 2024. 365215-OTU-2003507.
